Celtic Rouge provide a fresh, original and unique sound. All our musicians are professionally trained, full-time working musicians with impressive performing credits. Our band members have performed West End theatre shows, played for royalty and at a variety of music festivals. The band play the very best of Rock/Pop music and covers from the 1950s to current chart hits. We have an extensive repertoire of songs from many different genres and decades. We also specialise in providing exciting, upbeat, modern Ceilidh music - interspersed into our covers set. With an experienced dance caller present, even novice ceilidh-ers can dance the night away! The proportion of Covers to Ceilidh music played at your event is entirely customisable to ensure you get the perfect night of music. The band can also provide their own DJ disco service if required.
